

ID: TC003_APP3_AUDIO_REWIND_BUTTONS

Status: **FAILED**

Title: Checking the correct operation of the audio rewind buttons

Priority: High

Testing type: Functional Testing.

Author: Dmytro

Date: 09.07.2026

Preconditions:

1. The user is authorized in the program.
2. The user is on the home page.

Steps:

№	Action	Expected result	Actual result
1	Click the "New Lessons" button	A window opens to select available lessons.	A window opens with available lessons to study, a flawless interface
2	Choose one of the available lessons	A tab opens with text and a button to listen. The audio rewind buttons are displayed correctly and are not misleading.	A tab opens with text and a button to listen. The audio rewind buttons are displayed correctly and are not misleading.
3	Press the start listening button	Play audio voice that matches text	Play audio voice that matches text
4	Press the button to fast forward the audio 15 seconds.	Audio fast forward 15 seconds	Audio rewinded 15 seconds back. Played audio track in reverse order

Environment:

Device: Samsung A26 5G

OS: Android 16

App version: 1.0.0

Network: Wi-Fi

***Conclusion:** *The function described above is one of the main ones for learning English. Rewinding an audio track helps to play the sound for a specified time forward or backward. In this case, the buttons do not work correctly. Filed a bug report "BUG002_APP3_AUDIO_REWIND_BUTTONS".*
